

White Pine Chapter Field Trips and Programs 1989 to 1997

1989

- February 15 First meeting of the White Pine Chapter: Flora of the Seven Devils (Richard Bingham)
- May 20 Skyline Drive (Richard Bingham, Ray Boyd)
- June 10/11 Aquarius Research Natural Area (Charles Wellner)
- July 22 Lund Creek RNA/Freezeout Ridge
- August 19 Thorne's Tree Farm, Pettis Peak
- September 16 Kamiak Butte (Potluck)
- October 28 Alpine Drabas (Lawton Fox)

1990

- January 24 UI Herbarium (Doug Henderson)
- February 20 Clearwater Disjuncts (Lorain)
- May 12 Pittsburg Landing
- July 28/29 Seven Devils
- August 18/19 Priest Lake area
- September 15 St Joe River/Fishhook RNA (Chris Lorain Ibrahim, Steve Brunsfeld, Charles Wellner)
- October 6 Kamiak Butte Potluck

1991

- January 25 The Spotted Owl in Second-Growth Forests in Northern California (Lee Folliard)
- February 27 Dawn Redwoods – A Visit to a Remote Valley in China, China (Fred Johnson)
- April 20 Lower Clearwater Valley / Lenore area (*Lomatium salmoniflorum*)
- May 11 Skyline Drive (Ed Tisdale and Steve Brunsfeld)
- June 15/16 Clearwater-Selway/Newsome Creek RNA (Charles Wellner, Dennis Ferguson (*Mertensia bella*/*Syntheris platycarpa*))
- June 22/23 Rocky Comfort Flat (Charles Wellner)
- July 13 Palouse Divide and Bald Mountain (Loring Jones, Kent Wellner)
- August 10/11 Priest Lake area (Calypso / White Pine chapters)
- September 28 Newman Hardwoods / Spalding Park (Ray Boyd)

1992

- January 23 Plants of Northwestern Montana, Wildflower photos (Maria Mantas)
- March 5 Botany of the Lewis and Clark Expedition (Steve Brunsfeld)
- April 11 Palouse Falls/Lower Snake River (Steve/Pam Brunsfeld)
- May 9/10 Salmon River – Slate Creek / MacFarlane's Four o'clock (Craig Johnson) – Annual INPS Field Trip
- June 6 Elk Creek Falls and Big Tree Cedar Grove
- Aug 1 Freezeout Ridge/Lund Creek RNA/Pinchot Marsh (Fred Johnson, Charles Wellner)
- September 12 Klemgard Park (Potluck)

1993

- February 18 Plant Geography, Adaptive Genetics and Phytosociology: Experiences in Applying Vegetation Classification Schemes (Gerald McDonald)

- March 9 The New U of I Arboretum and Plans for Idaho Native Plants (Richard Naskali)
- March 25 Exploring Alaska's Native Plants (David Wattenbarger)
- April 17 Clearwater –Selway Canyons (Doug Henderson)
- May 22 Craig Mountain / Wapshilla Ridge (Juanita Lichthardt / Janice Hill)
- June 5 Rose Creek Preserve / Colton Prairie (Bertie Weddell)
- June 19/20 Aquarius Research Natural Area (Fred Johnson, Charles Wellner)
- July 17-18 Flora of the Wallowa Mountains (Marty Stein)
- August 7/8 Seven Devils (Richard Bingham and Clyde Miller)
- September 11 Forest Canopy Lichens (Roger Rosentreter)
- October 17 Spalding Park (Tree Identification and Potluck)
- November 18 The Endangered Species Act (John Rosapepe); joint with ICL

1994

- February 17 Travelogue of a Tree Lover through China, Dawn Redwood and other Exciting Things (Fred Johnson)
- March 10 Native Plants of Latah County, 15 million years ago (Bill Rember)
- March 31 Conservation of Rare Plants - Global and National Strategies and what we can do in Idaho (John Edson)
- April 16 Arboretum work day
- May 21 Skyline Drive Wildflower Tour (Ray Boyd, Richard Bingham, Loring Jones)
- June 11 Ecology and Rare Plants of the Grand Fir Mosaic Ecosystem (Dennis Ferguson); *Mertensia bella*, *Dasynotus*, *Syntheris*)
- June 12 Work day – species list for Lochsa RNA (Karen Gray)
- July 16 Alien plant Species of Latah and Nez Perce Counties (Robert Callihan)
- July 30 State INPS Annual meeting in McCall
- August 6 Wetland Plants of the Coeur d'Alene River / Rose Lake (Robert Bursik)
- September 10 Clarkia Fossil Beds (Bill Rember)
- October 1 Second Arboretum work day (Shrub planting) followed by Potluck at Robinson Park (Kamiak Butte closed due to fire danger)

1995

- January 19 A visit to Kew Gardens (Michael Larson) or The Special Forest Products Industry (Bill Schlosser, Keith Blatner) (the second was in the newsletter)
- February 15 Use of Native Plants in Landscape Architecture (Mike Terrell)
- March 1 Photo tour of European Gardens (Richard Naskali)
- March 30 Defining and Protecting Wetlands (Bertie Weddell)
- April 13 Alpine Flora of the Sawtooth Mountains (Carla Richardson)
- May 13 Spring wildflowers and Geology of the Grande Ronde River Breaks / Flora, OR (Doug Henderson, Bill Rember)
Native peony, bighead clover, rock lupine
- June 4 Bull Run RNA (Mike Hays, Chuck Wellner)
- June 10 Work day – *Psoralea physodes* survey
- July 8 Plants of the Wild / Finch Arboretum, Spokane (Kathy Hutton, Mike Terrell)

August 9-11, 16-18

Moscow Tree Inventory Training (Roger Blanchard)

September 9 Clarkia Fossil Beds (Bill Rember)

September 30-31

Priest River Experimental Forest annual meeting (Ray Boyd, Al Harvey, Chuck Wellner, Bob Denner))

1996

January 25 Paradise Creek Restoration, Sewage Treatment Plant Wetlands (Adam Thornbrough, Elisabeth Brackney)

February 22 The Effect of Vulcanism on Idaho Vegetation (Paul McDaniel)

March 28 From Tortola to Tierra del Fuego: The Flora and Vegetation of the Southern Andes (Bob Moseley)

April 28 Kamiak Butte (Bertie Weddell and Jim Roberts)

May 11 Basalt Scablands, Vantage (Douglass Henderson) *Lewisia rediviva*, *Eriogonum thymoides*

June 1 Spring Valley Reservoir nature trails and Little Boulder Creek campground (presentation on the Potlatch River Canyon Interpretive trail) (Mike Hays, Kent Wellner)

July 27/28 Lolo Trail State INPS Field Trip (Fred Johnson, Steve Brunfeld)

October 5 Paradise Creek and Carol Ryrie Brink Park tour followed by potluck at Kamiak Butte

October 19 Mushroom field trip - cancelled on account of blizzard (Ed Tylutkei) with Palouse Mycological Society

1997

January 30 Reproductive Biology of the Rare, Idaho Mountain Primrose (Angela Sondenaa) *Douglasia idahoensis*

February 13 Fire and Plant Community Dynamics in the West (Penny Morgan)

March 26 Nature's Supermarket – Nez Perce Utilization of Plants and Trees (Sandi McFarland)

April 27 Turnbull Wildlife Refuge – cancelled for low turnout, lousy weather

May 24 Craig Mountain / Wapshilla Ridge Grassland (Juanita Lichthardt, Karen Gray)

June 21 Flat Creek Unit, U of I Experimental Forest – compile species list

July 26-27 Priest River Experimental Forest – work in proposed RNA

August 9-10 Seven Devils (Dick Bingham)

September 20 Mission Mountain / Skyline Drive / McCrosky Park (meeting / Potluck)
